# GREATER MOHICAN AUDUBON SOCIETY
# MAGEE MARSH WARBLER FIELD TRIP
# 2024

**When: Thursday, May 8th, 2025**

**Where: Magee Marsh, Ottawa Wildlife Refuge, 13229 State Route 2, Oak Harbor, OH 43449**

**Time: All Day Birding event**

**Meeting Place: Parking lot of the Magee Marsh Visitor Center at 9:00AM**

Hello Bird Lovers!

The Greater Mohican Audubon Society is sponsoring a Birding Event just prior to the **Biggest Week in American Birding** event at Magee Marsh located in Northwest Ohio. All are welcome to join in on the migratory birding fun. The itinerary is as follows:

Meet in the parking lot of the visitor center of Magee Marsh at 9:00am. Approximate driving time from Mansfield Ohio is 1 ½ hours. I would allow 2 hours of drive time to be safe.

We will first allow some time to visit the newly renovated Visitor Center.

We will then allow sufficient time to bird the boardwalk at Magee Marsh.

Lunch is on your own, we recommend that you bring a packed lunch.

We will next proceed to the Howard Marsh Metropark by car.

We will end the evening enjoying dinner at the Blackberry Corners Restaurant . Hint: The food is delicious! They are located at 5975 N Elliston-Trowbridge Rd, Martin, OH 43445.

We are so excited to once again be sponsoring this birding excursion! This trip is OPEN to the public. For more information, please contact Anthony Wheaton at 419-512-1711.

We are looking forward to meeting you all there on Thursday, May 8, 2025.

Happy Spring Birding to you all until then!
