Field Trip! Biggest Week in American Birding!

On May 2, GMAS members and friends will meet at the Visitors Center at Magee Marsh, 9 am. Be prepared for a full day of birding because, after Magee, the group will be going to Howard Marsh. Both places will be burgeoning with migratory and marsh species. Bring your lunch and enjoy dinner at Blackberry Corners. For more information, see the attachment or call Anthony Wheaton at 419-512-1711.

Upcoming Events – For more information please contact Tim Leslie, President
