- March 23 Birdwalk, Byers Woods, 9-11.

## Wayne County Winter Challenge

Brenda Meese invites all of us to participate in the Wayne County Winter Challenge: “How many of these sites can you bird before March 10? Join me in checking at least 6 of these 9 locations out this winter. There is a final group hike planned for Barnes on Sunday, March 10.” Please see her post in the GMAS Facebook group: <https://www.facebook.com/groups/1296908604472234>. Brochures are also available at Local Roots.

**T-Shirts!** Below are three designs for GMAS t-shirts. No, this isn't a fundraiser. If you want to be identified as GMAS, you might want to select a design and check out the information below. If you would rather have a free t-shirt, see Tim Leslie. He has a bunch of older model tees. To buy your own, select your design – square background, circle background, or no background. Visit or email your choice, size, and color to Mid-Ohio Graphics, [midohiographics.com](http://midohiographics.com), 1212 US Route 42, Ashland, 419.496.4312.
